

# Research Scholar Category

Foreign researchers travel to the United States to promote the exchange of ideas, research, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. Research Scholars primarily conduct research, observe, or consult in connection with a research project at research institutions, corporate research facilities, museums, libraries, accredited post-secondary educational institutions, or similar types of institutions.

## Total new Exchange Visitors for the Research Scholar Category in AY 2022 /2023- 23,143
