

Student and Exchange Visitor Information System (SEVIS) Release 6.37 Final System Changes

Thursday, January 25, 2018
Production Release Date: January 26, 2018

The following summarizes the final system changes to SEVIS Release 6.37.

F/M School Officials

Report Receipt of the 12 and 24-month science, technology, engineering, and mathematics (STEM) Optional Practical Training (OPT) Self-Evaluation

For this release school officials will have the ability to indicate that the student has submitted completion of their self-evaluation on the Form I-983, “Training Plan for STEM OPT Students”. From the student’s Report OPT Participation screen the school official will have the ability to select the checkbox for the self-evaluation. Both check boxes will have to be selected before the Report OPT Participation button will be enabled. In addition, school officials will also see an event in the student’s event history as either “STEM OPT 12 Month Participation Reported” or “STEM OPT 24 Month Participation Reported”.

Example of the Student Report OPT Participation screen
