This document presents the Summer Work Travel 2020 Season Program Dates by Country for external use, updated on 12/2/2019. For more information, please contact DesignationSWT@state.gov. The program dates are windows of opportunity for program participation. Within this timeframe, students are still subject to their university's official academic break schedule. Even though the window of opportunity may be longer than four months, a participant may only participate a maximum of four months or the length of the period of their academic break, whichever is shorter. If a country is not listed on the chart, please contact the Office of Private Sector Exchange Designation at DesignationSWT@state.gov for guidance.
