Slide #4

Since the 1940s, the purpose of the Exchange Visitor Program (EVP) with your help has been to provide foreign nationals through the Mutual Educational and Cultural Exchange Act of 1961, “as amended”, also known as Fulbright-Hays with an opportunity to participate in educational and cultural programs in the US and return home to share their experiences and encourage Americans to do the same in other countries.

There are approximately 1,500 Designated Program Sponsors and in the previous years there more than 330,000 new exchange visitors annually. Unfortunately, the number of exchange visitors drastically declined in 2020 due to COVID-19 and other factors. We are hopeful that the number of exchange visitors will begin to recover in the coming year.

Slide #5

The BridgeUSA brand officially launched on October 27, 2020. The Exchange Visitor Program will remain the legal name when referring collectively to all exchange programs administered by ECA. You will continue to see the Exchange Visitor Program name in legal and regulatory documents. The website has
a new URL, bridgeusa.state.gov. The current URL, j1visa.state.gov, will remain active as we educate stakeholders about the new brand and URL.

**Slide #6**

Sponsors are encouraged to integrate the new brand into their communications, when and where possible, moving forward. We understand this approach will be different for each sponsor organization. Here are four simple ways to get started:

1. Incorporate mission-driven language into all your communications. This not only allows us to emphasize the global impact of BridgeUSA programs, but also talk about them in a consistent and compelling way.

2. Add a BridgeUSA designation to your website. Add the logo and notation to your website and print materials indicating that you are authorized by the U.S. Department of State to administer BridgeUSA programs.

3. Spread the word. Help us raise awareness about our new brand identity by communicating this change to your staff, partners, participants, alumni, and other stakeholders.

4. Incorporate a phased approach. As your refresh or re-order cycles occur or you seek to produce new assets, please take every opportunity to update your materials with our new brand identity.

**Slide #7**

As a sponsor official, you and your colleagues are obligated to ensure that your organizations continue to meet these seven important actions that are prescribed in 22 CFR 62.9

Must maintain the legal status it had when it was first designated.

Must remain in compliance with all local, state, and federal laws, and professional requirements necessary to carry out the activities for which it is designated, including accreditation and licensure, if applicable.

Finally, must appoint and maintain a RO and between one-ten AROs to assist the RO in performing the duties set forth in § 62.11.
As an appointed official of the Exchange Visitor Program, these are the required responsibilities in the role of the RO/ARO as prescribed in the regulations — 22 CFR, § 62.11.

- When needed, the RO/ARO prepares SEVIS requests for Reinstatement, Program Transfer, Extension, Change of Category, Correction of Minor or Technical Infraction, and Allotment of Form DS-2019s. (Note: Data fixes and Permission to Issue cannot be requested in SEVIS)

- When preparing and submitting the Re-designation Application, your role is to complete the Form DS-3036, print, and electronically submit in SEVIS. Send the background information for all appointed officials and the signed application (Form DS-3036) electronically to the Office of Private Sector Exchange Designation.

First, we have a sample of the Form DS-3036, which sponsors use to request re-designation or amendment of an existing program.

Next, we have a sample of the Form DS-2019, which is a controlled document of the Department of State that a sponsor issues to a potential Exchange Visitor Program participant (J-1) and his or her accompanying spouse and dependents (J-2) as permitted by regulations.

Lastly, we have the sample Form DS-3097, which is a controlled document of the Department of State in which a sponsor reports program activity and evaluation on a yearly basis.

This training is designed to facilitate and enhance your understanding of Pay.gov and how to submit payments to the Department of State.

Pay.gov is a U.S. Department of Treasury electronic payment system which is utilized by several other agencies (including the Department of State) for Exchange Visitor Program payments.

Pay.gov is used to make payments for program re-designations, program extensions, change of category, reinstatements, ECFMG-sponsorship authorization request, and permission to issue request.

Payments are accepted through Automated Clearing House (ACH) or Credit/Debit Card.

**Slide #21**

All Exchange Visitor Sponsors must register with the Department of State to be approved for a Pay.gov account. There are two types of Pay.gov accounts.

The first type is for new sponsor applicants only and is used solely to pay the program designation fee when applying to be a designated sponsor for the first time.

The second type is for currently designated sponsors. Responsible Officers/Alternate Responsible Officers, or any member from the institution can utilize this account to pay for extensions, re-designations, change of categories, reinstatement, reinstatement update SEVIS status, ECFMG sponsorship authorizations, permission to issue, and program extension ECFMG board cert exams. The form Department of State E.V.P Fee Payment must be chosen when completing the EVP payment.

**Slide #22**

Now, let us discuss how to request a new Pay.gov account.

To request a new account, please fill out the Excel Spreadsheet that is attached to this slide and send it to the appropriate email address according to your program. [Agexchangeages@state.gov](mailto:Agexchangeages@state.gov) is utilized for academic and government programs, where [Jvisas@state.gov or the individual category mailboxes](mailto:Jvisas@state.gov) are utilized for all private sector programs to include Intern, Trainee, Au Pair, Secondary School Student, Summer Work and Travel, Camp Counselor, Teacher, and Alien Physician).

At least two individuals from your institution must have a registered Pay.gov account. An RO, ARO, or any staff member of the institution can have a registered account with our office. After 1-3 business days, Pay.gov will reach out to the individuals directly to provide them with their login credentials.

**Slide #23**

Now, let us go over how to submit an EVP payment in Pay.gov.

The detailed, step by step instructions on how to properly submit an E.V.P. payment is located in the PDF document attached to this slide. Any payment made by not using the correct form, E.V.P Fee
Payment, will not be accepted. Once the E.V.P. payment has been completed, confirmation will be emailed to the payer. It is critical that the payer submit the confirmation receipt to the Office of Private Sector Exchange Designation in a timely manner.

**Slide #24**

Now let us review some of the common problems with completing the EVP payment in Pay.gov.

Common problem number one: “I forgot my password. Can you help me reset it?” For security reasons, our office does not have access to any Pay.gov user accounts nor are we able to assist with password resets. The user will need to contact Pay.gov customer service at 1-800-624-1373, option 2, and ask for a password reset. Kindly note that if a user does not log in to their account at least once every 90 days, his/her account password will need to be reset.

Common problem number 2: “Why can I not access the E.V.P fee payment form?” If you are a new user, please contact the Office of Private Sector Exchange Designation via the category-specific email addresses and request an account. Again, if a user does not log in to their account at least once every 90 days, the account password will need to be reset. To reset the password, call Pay.gov customer service at 1-800-624-1373, option 2.

Common problem 3, I already created an account, but I still cannot access the private form.” If a user did not request an account through our office, the user will have not have access to the private form. In this particular case, the user has created a personal account and not a registered Department of State account.

Please reach out to us by contacting the appropriate email address according to your program so that we can facilitate the creation of your registered account.
